I brought this Gas local, and this is what it cost me. No bunnings or Kmart out here.

GAS 100G can \$13

GAS 240g can \$14

DRINKS

DRINKS WILL NEEDED TO BE ADDED ON BEFORE PAYING. PLEASE FILL THIS PAPER IN, EMAIL IT TO ME, THEN I’LL LET YOU KNOW THE TOTAL OF WHAT TO PAY. THEN YOU CAN MAKE A PAYMENT.

The drinks and gas are just a kind gesture from hiker to hiker; The cost of the drinks and gas will be what it cost me to purchase. I won’t be setting drinks up for sale on any social media platform. This is just a kind gesture as I know what a cold icy drink tastes like when out all week hiking. I live on the cattle station Adjacent to Mount Moffatt National Park and love meeting hikers that come through. So much fun.

1. Myself
2. My husband
3. My 29-year-old daughter, who lives with us on the cattle station
