The Brands Weights and age of gear will differ in every pack. Some of the gear will be bran new looking other gear will have a used look.

Every Hiker is asked to do at least TWO 30kms 2-day hikes (15kms per day camping out) with 100% of their gear, camp out with a fully loaded pack and find out are you comfortable. Is this Pack comfortable for a 6-day hike; be confident with that. Can I sleep on the mattress for 5 nights, you need to know you are going to get a great night's sleep. Iron out ALL problems prior the hike, not at the real hike.

We cannot guarantee comfort as this is a very personal requirement. Everyone is different. If you train with it and find it uncomfortable. Please return the full kit to me and I'll refund you 100%. Maybe find a hiring shop close by or online ask in a local hiking group about loaning gear.

Another choice is just replacing that item that is uncomfortable, as this is the only gear we have. (no refunds)

Return all gear at Breeze Big 4 Carnarvon Gorge at the finish of the hike. As soon as we arrive back at Big4 for cold drinks and ice creams, please sort your gear and my gear out and segregate. Please check the pack carefully.

CANCELLATION OF HIKE –

If you should cancel the full hike – NO REFUNDS WILL BE MADE on the hike or pack hire until 100% gear is returned to Hike With Maree's office. Once 100% of hired gear is Returned unharmed; there will be a 10% deduction of \$22 will be taken from the \$660, for my time of office work and pack organization. Refund \$638.00.

I FULLY AGREE TO THESE PACK HIRE AGREEMENTS ABOVE
